Des Moines, Iowa 50312-4919

DES MOINES, IOWA
DEANS LAKE OUTLET STORM SEWER - PHASE 2
ENERGY UTILIZATION CERTIFICATION

This letter is to provide a certification to the Iowa Finance Authority with respect to energy utilization of the Deans Lake Outlet Storm Sewer - Phase 2 project. The project will involve the construction of a storm sewer from its outlet south of Dean Avenue northerly to connect to the existing Deans Lake Outlet Storm Sewer south of University Avenue. The project would be classified as new construction.

The project consists of a storm sewer and associated appurtenances. Given the nature of the project, compliance with current building energy code standards would not be applicable to the project.

The Dean Lake Outlet Storm Sewer - Phase 2 project does not involve the installation of any energy using equipment. Use of equipment certified under the Energy Star program would not be applicable for the project.

This letter is to certify to the Iowa Finance Authority compliance with the current building energy code requirements would not be applicable for the Deans Lake Outlet Storm Sewer - Phase 2 project. This letter is to certify use of Energy Star certified equipment would not be applicable for the Deans Lake Outlet Storm Sewer - Phase 2 project.
